

Hello BCBUA Members,

2025 Registration is Now Open!

We're excited to announce that the BCBUA has transitioned to a new web-based platform for registration and education. In partnership with Baseball BC, we are now using Spordle (for database management) and Moodle (for education).

Please follow the steps below to register for the 2025 season. Additionally, we've included instructions for registering for Level I and Level II online and in-person clinics.

Step 1: Online Membership Registration: <https://page.spordle.com/fr/bc-baseball-umpires-association/register/1efd6d3c-6c91-629e-83f1-0e84eb09d6ad>

All members have been uploaded to the new platform. You will have the option to either search and register an existing participant or create a new one.

If you have any questions, feel free to use the red help bubble, which is supported by our AI assistant.

We look forward to another great season with you!

The Spordle Team.
